

From the President...

On behalf of all of the CMEA General Music, Instrumental, University, and Vocal Council Chairs and elected representatives, welcome you to the 2010 Colorado Music Educators Clinic/Conference! Congratulations on prioritizing professional growth by attending this Clinic/Conference. You will be hearing beautiful music, learning new teaching strategies, seeing noted clinicians, perusing new materials, and meeting friends both old and new.

Be sure to visit the exhibits! While you're there, thank those folks for supporting CMEA. Ken Anderson, the Exhibit Chair, deserves special thanks for all of his organizational work.

Make your dinner plans early so that you have time to attend the Colorado Symphony Orchestra concert at 8 p.m. on Thursday. The Jakarta Band will be rockin' in the International Center on Friday night at 8. This concert will be in cabaret style with a cash bar. 2010 inductees into the CMEA Hall of Fame will be honored during the intermission on Friday night. Saturday's closing concerts will feature the All-State Jazz Band and the All-State Jazz Choirs. Of course, all of the selected Honor Groups will also be a highlight of your Clinic/Conference experiences.

College Credit is again available from Colorado State University. This credit can be used for salary advancement AND relicensure credit. If you only need the relicensure credit, you can sign up for CDE credit through CMEA for \$35.

It is an honor to serve you as CMEA President. I value your attendance at this annual event as an indication of your dedication to excellence, leadership, and advocacy for music education in Colorado!
